

**1. Personal details**

Lahti Satu Mirja, she  
Born: March 12, 1962, Karstula, Finland  
Nationality: Finnish  
Home address: Lusankatu 30 B, FI-33500 Tampere, Finland  
Telephone: +358-7012386; e-mail: satu.lahti@utu.fi  
ORCID 000-003-3457-4611

**2. Degrees**

Dental Specialist in Health Care, University of Oulu, Finland, 1996  
Doctor of Odontology (PhD), University of Kuopio, Finland, 1995  
Licentiate of Dentistry (DDS), University of Kuopio, Finland, 1985  
Title of Docent, Community Dentistry, University of Helsinki, 2007

**3. Current employment**

Professor in Community Dentistry, University of Turku, since October 1<sup>st</sup>, 2011

**4. Previous work experience**

Public health dentist, Saarijärvi, 1984, Kangasala 1985, Kuopio 1986  
Tutorial assistant, Department of Community Dentistry, University of Kuopio, 1986  
Project secretary, Muhimbili Medical Centre, Dental School Development Project of University of Kuopio, 1986-1990  
Clinical teacher, part time, Department of Cariology and Preventive Dentistry, University of Kuopio, 1986-1987  
Short Term Consultant, Muhimbili Medical Centre, Dental School Development Project of the University of Kuopio, Division of Dentistry/MMC, Dar es Salaam, Tanzania, 1988  
Acting Manager, Muhimbili Medical Centre, Dental School Development Project of University of Kuopio, 1988  
Part time consulting dentist at the Dental Anxiety Clinic, University of Kuopio, 1986-1990  
WHO Associate Professional Officer in Oral Health, Jos, Nigeria, 1991  
WHO Associate Professional Officer in Oral Health, Port Louis, Mauritius, 1992-1993  
Specialising Dentist for Health Care, Department of Community Dentistry, University of Kuopio, 1993-1995, University of Oulu, 1996  
Part time consulting dentist at the Dental Anxiety Clinic, University of Kuopio, 1993-1995  
Part time consulting dentist at the Dental Anxiety Clinic, Oulu University Hospital, 1996-2011  
Senior Lecturer, Department of Community Dentistry, University of Oulu, 1997-2008  
Senior Research Fellow, Department of Community Dentistry, University of Oulu, 2008-2010  
Visiting lecturer, Institute of Dentistry, University of Helsinki, 2008-2010  
Professor (act.), Department of Community Dentistry, University of Oulu, 2010-2011

**5. Research funding and grants**

Juho Vainio Foundation, 2002, € 6 728  
Juho Vainio Foundation, 2005, € 8 000  
Emil Aaltonen Foundation, 2006, € 6 400  
NIH-R21, 2009, \$ 25 450 – co-worker  
NIH-R21, 2010, \$ 25 450 – co-worker  
International Association for Dental Research, Regional Development Grant, 2017, \$ 39 000 – co-worker

Suomen Naishammaslääkärit Foundation, 2017, € 3 000

MSCA preparation fund, 2022, € 3 000

## 6. Research supervision leadership

### Supervisor for 14 completed PhD theses in Dentistry

Poutanen Raija: Boys and girls as health-promoting actors - determinants of oral health-related lifestyle among 11- to 12-year-old schoolchildren. University of Oulu 2007.

Rantavuori Kari: Aspects and determinants of children's dental fear. University of Oulu 2008.

Pohjola Vesa: Dental fear among adults in Finland. University of Oulu 2009.

Hietasalo Pauliina: Behavioral and economic aspects of caries control. University of Oulu 2010

Tolvanen Mimmi: Changes in adolescents' oral health-related knowledge, attitudes and behavioral response to extensive health promotion, University of Oulu 2011

Kankaanpää Rami: Schools as Oral Health Promoters – Evaluation of National Sweet Selling Recommendation and Oral Health Education Material, University of Turku 2014

Silvola Anna-Sofia: Effect of treatment of severe malocclusion and related factors on oral health-related quality of life, University of Oulu 2014

Jaakkola Sirkka: Dental fear in adolescents' transition to early adulthood, University of Turku 2015

Luoto Anni: Individual and family-level changes and oral health-related quality of life, University of Turku 2017

Mohd Masood: Malocclusion and oral health related quality of life, University of Turku 2018

Anttila Jaakko: Impacts of a national recommendation on the sale of sweet products in Finnish schools. School-level factors and oral health inequalities, University of Turku 2019

Nyamuryekung'e Kasusu, Availability, attitudes and costs for ed dental services in a low income country. University of Turku 2019

Torppa-Saarinen Eeva, Interplay between treatment need, service use and perceived oral health. A longitudinal, population-based study. University of Eastern Finland 2020

Hagqvist Outi, Adult dental anxiety in the Finnbrain Birth Cohort study - changes and relations to psychological well-being, University of Turku 2021

*Supervisor for 5 registered PhD students currently under preparation*

## 7. Teaching merits

Head of Dental Education, Institute of Dentistry, University of Oulu, 2010-2011

Vice-Head, Head of Dental Education, Institute of Dentistry, University of Turku, 2012-2016

Pedagogical training for 20 credits

Special Qualification for Dental Educator, The Finnish Medical Association, 2011

Three original pedagogical publications (see list of publications)

Undergraduate teaching since 1997

Scientific postgraduate training since 2001

Training of dental specialist in public health since 1997

In charge of the Degree Programme for the Dental Speciality in Public Health: University of Oulu 2010-2011, University of Turku since 2011, University of Tampere 2013-2021

National examiner for the Degree Programme for the Dental Speciality in Public Health since 2010

National examiner for Special Qualification in Public Health, Finnish Dental Association since 2010

Committee of the Development of Education of the Faculty of Medicine, University of Oulu, 2010-2013

Steering Committee for the Dental Curriculum, Institute of Dentistry (HTST), University of Turku, Member 2011-2012, Chair 2012-2018

Award for Developing Undergraduate Preclinical Education, University of Oulu, 2010, 30 000€

Supervisor for close to 50 completed undergraduate and specialisation theses; Three of them awarded as best published thesis in the Finnish Dental Journal

## 11. Other academic merits

### Reviewer for 4 PhD theses:

Ghasemi Hadi: Preventive orientation and caries management by Iranian dentists. University of Helsinki, 2008.

Kottonen Annariitta: Hammaslääkärin ura. Odotukset ja kokemukset. University of Turku, 2009

Amemori Masamitsu: Developing assessment and promotion of tobacco counselling: a cluster-randomised community trial among oral health professionals. University of Helsinki 2012

Nermo Hege: Dental anxiety in adolescents and adults. Epidemiological studies based on the Tromsø Study 7 and Fit Futures 1 & 2, UiT, The Arctic University of Norway

### *Opponent in 3 PhD dissertations*

Johansson Veronica: Oral health-related quality of life and patient payment systems. University of Malmö, 2009

Raivisto Teija: Active Matrix Metalloproteinase-8 Chairside Oral Fluid Test in Association with Subclinical Periodontitis, Dental Caries, and Health Behaviour in Finnish Adolescents. University of Helsinki, 2020

Nermo Hege: Dental anxiety in adolescents and adults. Epidemiological studies based on the Tromsø Study 7 and Fit Futures 1 & 2, UiT, The Arctic University of Norway

### *Reviewer for research grants*

FWO, Research Foundation Belgium

State Research Funding, the Hospital District of Southwest Finland, Turku University Hospital 2011=>

Selma and Maja-Lisa Selander's Fund for Research in Odontology, Minerva Foundation 2021, 2022

TUA-grants, Institute of Odontology, University of Gothenburg and Västra Götaland Region, Sweden, 2021, 2022

### *Editorial board memberships and reviewership*

Member of Editorial Board, Special Issue on Dental Anxiety, Nordic Dental Journal, 2001-2003

Scientific Editor-in-Chief for the Finnish Dental Journal, 2003-2009

Member of the Advisory Board of Community Dentistry and Oral Epidemiology, 2005-2007, 2011-2013

Associate Editor for BMC Public Health 2011-2014

Member of Editorial Board, Acta Odontologica Scandinavica 2017-2018

Reviewer for several international scientific journals

### *Major positions of trust*

Member of Board, Division of Public Health of the Finnish Dental Society Apollonia, 1988, 1989, 1999-2003

Member of Board, Committee of Continuing Education of the Finnish Dental Society Apollonia, 1997-2001, Vice President 2001

Member of Executive Board for Finnish Current Care, Finnish Medical Society Duodecim 2010-2011

President of the Finnish Dental Society Apollonia, 2013-2015, Vice-President 2010-2012, Member of the Board 2003-2012

President of the Board of Trustees of the Finnish Dental Foundation 2020-2021, Vice President 2011-2013, Member of Board 2008-2010

University Collegiate Council, University of Turku, member, 2022-2025

### *Major expert positions*

Member of the Consultative Committee, HEALTH 2000, Health and functional capacity of Finns – a national health survey, 2000-2001

Special Working Group on Oral Health, Ministry of Health and Social Welfare, Expert member 2012-2013

Member of expert group for book *Lääkäriin etiikka (Medical Ethics)*, The Finnish Medical Association, 2013, 2021

National Committee on Medical Research Ethics (TUKIJA), Deputy Member 2014-2018

External examiner for Master of Dental Public health programme, University of Dundee, UK, 2015-2018

Member of Board of Directors, Nordic Institute of Dental Education (Ltd) NIDE 2016-2020

Publication Forum (JUFO), Member of National Steering Group 2016-2019, 2020-2023

Advisory Board on Socio-Medical Affairs, the Social Insurance Institution of Finland, Kela, Finland 2019-2022, 2022-2025

The National Nutrition Council of Finland, Member 2017-2020, 2020-2023

## 12. Scientific and societal impact

Several interviews in media as an expert in dental anxiety

## 13. Honours and awards

Silver Medal for Merit, Finnish Dental Association, 2004

International Association for Dental Research Aubrey Sheiham Award for Distinguished Research in Dental Public Health Sciences, 2011 (co-author)

Gold Medal for Merit, Finnish Dental Society Apollonia, 2013

First Class Knight of the Order of the White Rose of Finland, 2014

125<sup>th</sup> Year Jubilee Medal, Finnish Dental Society Apollonia, 2017

## 14. Publications

142 original peer-reviewed papers in international and national journals, 2 peer-reviewed reviews, 19 other publications. See details in the list below.

### 1. *Original articles in international peer-reviewed scientific journals*

- 1.1. Tuutti H, Lahti S. Oral health status of the children in relation to the dental anxiety of their parents. *J Pedod* 1987;11:2:146-150.
