Correction to: European Journal of Pediatrics

<https://doi.org/10.1007/s00431-023-05350-0>

The Data statement was missing the reference link and should have read "The datasets generated and analyzed during the current study are available in the University of Tasmania Research Data Portal and Research Data Australia repository (Stanesby, O, Magnussen, C (2023) Data from: Dataset - Tracking of apolipoprotein B levels measured in childhood and adolescence: systematic review and meta-analysis. <https://doi.org/10.25959/vrta-vt46>)."

The original article has been corrected.
