## Current academic positions

- 2024-present *Adjunct Faculty*, Manipal Academy of Higher Education, College of Dental Sciences, INDIA
- 2021-present *Adjunct Faculty*, Heidelberg Inst. of Global Health, Univ. of Heidelberg, GERMANY
- 2019-present *Group Leader*, Injury Epidemiology, Faculty of Medicine, University of Turku, FINLAND

## Expertise

I am an injury prevention practitioner and a public interest safety advocate. I have experience in the design and evaluation of population-level strategies to prevent injuries and violence, as well as the identification of actionable targets for prevention mainstreaming. I currently serve as one of 21 globally accredited auditors of population-level safety programs, as part of the WHO-initiated International Safe Communities program.
