- University of Turku, Department of Information Technology, Doctoral Student, 1.4.2013-30.6.2015
- University of Turku, Department of Information Technology / Computing, University Teacher, 1.7.2015-

### Teaching

During 12 years, I have been involved in organizing almost 50 IT course instances at University of Turku. Therefore, I have an exceptionally broad teaching experience for a doctoral student. I have given a trial lecture in 2015 and my teaching skills have been assessed to be good. I have also completed basic studies in Education Theory (at University of Turku).

### Guidance and leadership

- I have acted as a study counselor for over 12 years (advising students on courses and degree programme structure)
- I have supervised 40+ Bachelor's theses and 10+ Master's theses in Software Engineering
- I have lead and guided a team of research assistants in various research projects (such as IDA - Intimacy in Data-Driven Culture, Academy of Finland)
- As the responsible teacher on many large (200+ students) courses, I have lead a team of course assistants / teachers

**Scientific expert positions**
